COVER PHOTO - THE CALYNDA

Old boats like old dogs acquire a personality and affection that is the sum of many memorable days through a mutual trust. A sailboat, in particular, has these good qualities because it is a living object built of wood and responding to the elements of wind and wave. The Calynda, on the cover, is not just any old cat boat waiting at Barden's, Marion to be taken out for winter storage. She is one of the better-known of all the

Marion Harbor craft and leaving these waters for a new element to the north of Boston.

Art and Rosalin Northrup of Brant Avenue, Mattapoisett have sailed the Calynda since they discovered her wrecked in 1935 and had the craft rebuilt. The cat has a distinguished lineage having been designed by John Alden and built by Reuben Bigelow in 1932. There is no estimating the nautical miles that have been logged under her keel as she sailed up and down this coast and north off the coast of Maine but the Northrups raised their family crew on her in the boating months. They were involved in the Catboat Association International when it started with 30 members and are still charter members of the organization which now numbers 1000, spread around the world.

Art and Rosalin Northrup were the first couple to win the Murphy Award in 1978 and in our photo (page 2) hold the plaque set with the many brass plates which mark the various rendezvous in which they have taken part in various harbors of the coast. Two of them were held in the home harbor of Marion in 1981 and 1983. In all these years, the Calynda and owners have established a wide circle of recognition and friends.

As you will note, the cat has changed its stripes. As the family crew grew up and moved out, the huge sail and gaff became too heavy to handle for the couple, so the cat was rerigged as a yawl and the mainsail was changed to a marconi to eliminate the weight of the gaff. The change was a double

Selectmen's Meeting

OCTOBER 16, 1984 - by VIRGINIA ARRAL

POLICE SAFETY OFFICER STANLEY ENNIS HONORED

"Six years of not having any pedestrian fatality and a good safety program in the Police Department" has brought honor to Safety Officer Stanley Ennis.

At last Tuesday's meeting the Board of Selectmen presented the 1983 Pedestrian Safety Citation to Ennis for meeting the American Automobile Association standards.

Selectmen Chairman John N. DeCosta complimented Ennis as a conscientious officer and said, "I think it's very appropriate the citation be given to the Police Department to hang in its office.

Officer Ennis attributed the honored record to good lighted crosswalks; giving talks to student and senior citizen groups, and crossing guards on Route 6; and reducing the number of drunk drivers. He noted that the crossing guards are something that other towns do not have -- and he said, "these have paid off".

In a new release from the American Automobile Association of Massachusetts it read:

Mattapoisett today received a national AAA award plaque for its pedestrian safety record and no pedestrian fatalities for 6 consecutive years through 1983.

Mattapoisett was one of the award winners among the 2,791 cities and towns which participated in the AAA Pedestrian Protection Program nationally.

R. Stanley Ennis, Safety Officer, accepted the award from Gerald W. Connolly, General Manager, AAA Massachusetts, at a ceremony at the Sheraton Tara Hotel in Braintree.

"Mattapoisett should be proud of this pedestrian safety achievement," Connolly said. "AAA congratulates the police and local officials who helped achieve such a fine showing in competition with communities across the United States."

AAA's Pedestrian Protection Program evaluates pedestrian safety activities and recognizes the efforts of local officials who are working to improve pedestrian safety. Begun in 1937, AAA's Pedestrian Protection Program has helped to reduce pedestrian deaths by 48%.

Count on Us When You're Ready To Buy or Sell

When you're selecting a real estate company to help you buy or sell a home, the most important feature to look for is service. Most real estate firms can list your present home, show you new homes, and help you fill out the loan application. But we're the only firm in this area that's affiliated with Homes for All America™, and that difference can make a big difference to you.

As a member of Homes for All America, we're part of a national network of hundreds of real estate firms across the country — and we are the only firm in this area affiliated with Better Homes and Gardens® Real Estate Service.

Christian Church Service

On Sunday, October 28, at 4 p.m. a service will be held in the old Christian Church meeting house. The Rev. Sanford Fasth, pastor of the First Congregational Church of Wareham, will conduct the service and deliver the homily. The meeting house is located on Church Street near the Town Hall and is the home of the Mattapoisett Historical Museum. Everyone is invited.

A service is held in this building twice a year as a symbol of its roots in the Christian Churches. At the beginning of the 19th century there was a period of unrest and dissatisfaction among people who could no longer accept the rigid Calvinism as taught in the Churches; neither could they accept the ultra liberalism of Unitarianism. They gathered new churches and decided to call them Christian, and thus a new denomination was born. In 1931 the Christian Churches united with the Congregational Churches to become the Congregational Christian Churches.

The building is administered by a board of trustees appointed by the Massachusetts Probate Court.

contacting residents in the three towns. Return mailers were sent to residents who offered contributions. If a Phone-A-Thon volunteer was unable to reach you on the weekend, donations may be sent to MMR Tri-Town "Dollars for Scholars", P.O. Box 1091, Mattapoisett, MA. 02739.

The MMR Tri-Town "Dollars for Scholars" Program was established in 1983 by a group of concerned citizens. The organization is governed by a Board of Trustees whose volunteer members represent the three towns. In addition, a separate student group has three members who sit on the Board with equal voting rights. In 1983 scholarship totalling $15,100 were awarded to twenty-nine high school seniors from Stang, Old Colony, Tabor, and Old Rochester. In 1984 $17,700 was awarded in scholarships. These awards included twenty-eight high school seniors, eight college students, and one re-entry student. The Board of Trustees hopes to surpass this total in 1985.

Over the past two years funds have been raised through business and personal contributions, chicken barbecues, the Boston Classical Orchestra Concert, a door-to-door campaign and the sale of cup plates. This year the major fall fund-raiser was the Phone-A-Thon. The Board of Trustees gratefully acknowledges all those residents who responded positively to the Phone-A-Thon.

OLD ROCHESTER REGIONAL JUNIOR HIGH SCHOOL HOLDS DEBATE - By ELIZABETH CARNEY, Mattapoisett, Grade 7.

On a recent Friday afternoon, Pure Seventh held a presidential debate in the Old Rochester Junior High School Library. The two sides were pro-Mondale led by Lisa Antulonis, Brian Kalasinsky, and Donna Tyson; and the affirmative side, which included James Bardsley, Laurie Medeiros and Holly Anderson. The moderator was Heather West.

The winning side, which was the affirmative side, won with one thousand fifty-eight points, probably because of the potent speech given by Laurie Medeiros. Hers was the top performance as judged by her classmates given by either of the two sides.

There were many strong speeches given at the debate, but one point made by Lisa Antulonis, especially caught my interest. She stated, "How can an ex-movie cowboy,

ex-sportscaster, ex-T.V. host, govern the most complex country in the world?"

The debate started with three minute speeches given by both sides. A rebuttal followed that. Then each person gave a last reason why they thought Mondale or Reagan should win the presidential election. Members of the class were given the opportunity to ask either side a question.

After the debate a mock election was held by our English teacher, Mr. Johnson. Seventy-one percent voted for Reagan and twenty-nine percent voted for Mondale.

Hopefully in another four years there will be another debate as good as this one was.

Thank You

We want to express our heartfelt thanks for all of you who shared that special night with us at the Independence Harbor and also to all the people who cared about us and were unable to attend. No words could ever express the feelings we have for all of you.

Special friends like you are a treasure in life.

Thank you all so very much,

The workshop instructor is Richard Audet, developer and instructor in the Lloyd Center's Summer Program and recipient of the Massachusetts Association of Conservation Commission's Award as Conservation Teacher of the Year for Massachusetts, 1983.

Diving, Adult Swim Instruction, Lifesaving, Karate, Flex-ex, and a prenatal and post-natal exercise class called You and Me Baby, all offer an excellent way to preview and try out the YMCA's adult programs.

The YMCA's new Nautilus exercise center will be the spotlight of a special Nautilus preview on Monday, October 29th, from 7:00 to 9:00 p.m. Designed to highlight the advantages of joining a Nautilus exercise center, the trained nautilus instructors will demonstrate and explain each of the thirteen exercise stations and lifecycles, while pointing out the personal approach the Greater New Bedford YMCA stresses in its Nautilus program through personalized workout programs, thorough orientation and continuous monitoring of individual progress.

The Youth and Family Preview on Saturday morning, November 3rd, from 9:00 to 11:00 a.m. gives children and families a hands-on view of many new programs at the YMCA. Scheduled are a gymnastics and basketball clinic, games for the pre-schooler, arts and crafts, a swimming clinic and free swim. Exhibits and question-answer sessions on other programs such as Karate, Y-Indian Guides and Princesses, Leaders Club, Latch-key, will be held. Children must be accompanied by an adult. Refreshments will also be served.

All three program previews are scheduled

SOMETHING ON SUNDAY

YWCA Something on Sunday will have a Halloween Party on October 28 in addition to the regular line dancing. Costumes are optional.

Dancing for beginners is from 1:30 to 2:30 p.m. and for advance dancers from 2:30 to 3:30 p.m. Anyone who enjoys line dancing is invited to attend.

CCCC TIP OF THE WEEK

YWCA Concerned Citizens Combating Crime advise:

When you go on vacation ask your neighbor to share some of his/her trash. The presence of trash in your barrels gives the appearance that someone is staying in your home.

Olde Hampshire Unfinished Pine

The Most Popular Cabinet in New England!

THE CLASSIC raised panel doors are framed with solid white pine . . .a favorite in America for over 200 years.
These cabinets are assembled . . .no difficult parts to fit together . . . and they're easy to install too. You can finish them with stain, paint, clear varnish or antique finish. Pine takes all finishes well.
And because you do the finishing you pay less for the cabinets.
Olde Hampshire Unfinished Pine cabinets are often used in budget kitchens but national magazines have featured them in some of the most imaginative kitchens.
You choose the finish, the hardware (hinges, knobs, handles and catches) and the sizes to fit your project. A wide variety of sizes are available for all rooms in your home.
